

# How to get to our offices

From the M1 South or the M1 North, you would take the Glenhove off-ramp and follow Bolton Road up the hill towards Rosebank, crossing the major intersection of Oxford Road at the top of the hill before proceeding downhill on Bolton Road for approximately 1 kilometre. During this one kilometre downhill you will cross over Cradock, Bath Avenue, Sturdee Avenue (the headquarters of Sasol will be on your right) before turning left at the intersection with Jan Smuts Avenue where you will have the garden shop to the right of the intersection, and the Goodman Gallery in front of you, to the left on the other side of Jan Smuts Avenue.

Travelling slightly uphill along Jan Smuts Avenue after about 300 metres you will cross over the T-junction with Wells Road and you will keep travelling along Jan Smuts Avenue, getting ready to turn right before passing the intersection with Denbigh and approximately 500 metres after you've left Bolton you would turn right into our offices, being 127 Jan Smuts Avenue. Plentiful parking is to be found at the back of the offices, with the entrance at the front of the building.
